

CATANESE CLASSIC MEATS BEEF

Under the Classic Meats brand, you will find a variety of traditional and heritage breeds of livestock from family-owned American farms that employ sustainable and regenerative agricultural practices.

We currently carry a full line of USDA Prime and high tier choice 100% Angus beef in both traditional and all-natural formats. Our product mix consists of grass fed and wagyu beef, both processed to exacting customer specification in our state-of-the-art facility for next day delivery.

Below is our current inventory list of product, however we are adding new items to our catalog daily! If there is something that you are interesting in carrying and do not see on our list, please contact your local sales rep for more information.
