CHEF CUBE CLASSICS FRUITS ROUGES PUREES

Fruits Rouges & Co. specializes in the production of a wide range of fresh berries, frozen fruits and processed fruits, intended for food industry professionals. The fruit is carefully selected and processed into fruit purees in production facilities in France following procedures that help to retain all of the original goodness of the fresh fruit. Comprised of 90% fruit, the purees have 10% sugar added in the form of crystallized sugar derived from local sugar beet production.
